THE CITY

Alex Buzila/Shutterstock.com

Dublin's attractions are as diverse as they are plentiful: from the 11th-century Christ Church Cathedral to the Leprechaun Museum, this city has a wide selection to offer. The plethora of literary pubs have earned its status as one of just five UNESCO Cities of Literature on the planet. You can raise a pint to writers like James Joyce and Bram Stoker, or explore the life and works of poet WB Yeats at the National Library.

City footwork:

Dublin is a great city to explore on foot. From the gracious city parks of Merrion Square and Iveagh Gardens, to the grand Georgian architecture and alfresco café culture of South William and Drury Streets, there's a lot to divert your attention. And don't forget Temple Bar - a cobblestoned cultural enclave of galleries, restaurants, hopping pubs and the lively Meeting House Square.

DO & SEE

massimofusaro/Shutterstock.com

Dublin's streets are a busy mix of past and present. This city has always inspired writers, visitors and political firebrands alike.

To walk these streets is to journey through history, from the city's Viking roots by the banks of the river Liffey, to its atmospheric medieval churches with their mummified remains and holy relics. More recent architecture includes the gracious Georgian streets, as well as museums, theatres and several parks where one can escape the hustle and bustle of city life.

EPIC The Irish Emigration Museum

Passport / Visa

Ireland's passport and visa requirements vary for different nationalities: if you are a UK citizen, you can just use official photo identification,

whereas if you are an EU citizen, you just need a national identity card. Visitors from EU countries (including Iceland, Norway and Liechtenstein), USA, Australia, Canada and New Zealand, don't need a visa to visit the Republic or Northern Ireland. South African visitors can visit the Republic of Ireland visa-free, but they need a UK visa in order to enter Northern Ireland. If you're not sure whether or not to apply for a visa, we recommend you to contact the embassy or consulate in your country.

Best Time to Visit

The best time to visit Dublin is during the summertime (May to August) when the weather is warmer than the rest of the year and

you can enjoy numerous festivals. Unfortunately summer season is also the most expensive time to visit. So, if you're planning a vacation to Dublin but you don't want to spend a fortune, Spring and Fall make for a happy medium with moderate temperatures, less crowded street and lower prices.

Photo: VectorA/Shutterstock.com

Public Transport

Dublin has an extensive bus network but only a few rail and tram lines. Most of buses are operated by Dublin Bus with some smaller

companies operating other routes, most usefully an express service to Dublin Airport operated by Aircoach. If you plan to use buses more than a few times in Dublin, it's well worth getting some type of prepaid ticket or pass, many of which are also valid on rail and/or tram services, such as the Leap Card.

While the rail service is not extensive, a nice way to see Dublin Bay is to take a trip on the DART (Dublin Area Rapid Transit) suburban train and to travel from the city centre as far as Bray. It's not particularly expensive and you get to see some spectacular views of Dublin Bay.

LUAS trams began service in 2004. The Red Line connects the two main railway stations of Heuston and Connolly which is also the route of the most popular points of interest for tourists.
